More than 3,000 meetings and events have been held successfully at the International Convention Center Jeju (ICC Jeju), ICC Jeju has been praised for its high class modern facility and professional operating system. ICC Jeju is located in the Jungmun Tourist Complex which is a comprehensive tourist resort perched on a cliff with an ocean view, providing top quality accommodations and tourist facilities.

We are proud to announce that the 10th World Congress of Cognitive and Behavioral Therapies will be held at Jeju Island, South Korea in 2022. The Korean Association of Cognitive Behavioral Therapy (KABCT) is one of the leading multidisciplinary associations in the Asian Pacific region and is committed to hosting this international meeting with the most updated and sound science for cognitive and behavioral therapies.

**East Meets West:**
Embracing diversity and improving access to CBT

We are proud to announce that the 10th World Congress of Cognitive and Behavioral Therapies will be held at Jeju Island, South Korea in 2022. The Korean Association of Cognitive Behavioral Therapy (KABCT) is one of the leading multidisciplinary associations in the Asian Pacific region and is committed to hosting this international meeting with the most updated and sound science for cognitive and behavioral therapies.

**VENUE**
- More than 3,000 meetings and events have been held successfully at the International Convention Center Jeju (ICC Jeju).
- ICC Jeju has been praised for its high class modern facility and professional operating system.
- ICC Jeju is located in the Jungmun Tourist Complex which is a comprehensive tourist resort perched on a cliff with an ocean view, providing top quality accommodations and tourist facilities.

**JEJU ISLAND**

**UNESCO WORLD NATURAL HERITAGE AND ONE OF THE NEW 7 WONDERS**
- Jeju Island is the hub of Northeast Asia, located a short distance by air from Seoul, Tokyo, Beijing and many other Asian cities.
- Recognized by UNESCO as a Biosphere Reserve, World Natural Heritage Site and Geopark
- The warm temperature along with the mild breeze of June will make WCCBT2022 enjoyable and memorable (Average Temp. 20˚C).
- There are gorgeous beaches, waterfalls, and 160 lava caves that you can visit spread across the island, providing a once in a lifetime travelling experience.
- Travelling to Jeju is very convenient, as there is a Visa Free Entry Policy for 180 countries.

**Hosted by**

KACBT
The famous Olle trail provides the most breathtaking views of the ocean and nature and unfolds the hidden gems of Jeju island. There are 21 hiking trails along the coast, that are all connected into a 425 kilometer trail.

Seongsan Ilchulbong Peak was formed by a volcano eruption over 100,000 years ago, and is one of the most famous places in Korea to view the sun rise. At the peak, there is a crater which is shaped like a gigantic crown, and you can enjoy magnificent views of the ocean that you will not be able to see anywhere else in the world.

The Osulloc Tea museum is located on a tea plantation near Mt. Sanbang, and you can take a walk to the nearby tea plantations, take a class on traditional Korean tea etiquette, or just sit back and relax and enjoy the beautiful scenery with fresh tea and a scoop of green tea ice cream.

Do you want to meet a K-pop star? You can at the Jungmun Resort complex near ICC Jeju. At Play Kpop, you can participate in a hologram concert with famous K-pop stars that are more real than life.
